## AUGUST AMBASSADOR

### Congratulations to Amanda Portman, our Ambassador of the Month for August, 2011!

Amanda graduated from North Hardin High School in 1998. Her career with Shoney's began in 1998, starting as a server working her way up to Operating Partner of the Elizabethtown store which she is currently employed and also runs the Catering out of the store. Amanda went on board with American legion in 2000 as a bartender and still enjoys it as her second job. She calls it her social job, a great way to meet Veterans and hear the stories. Says the special people of her life "My son Dylan, who is 13 and mother, Kathy, are the pride and joy of my life." Amanda was raised in a military family and takes pride in her community. Amanda contends that joining the Chamber of Commerce and serving as an Ambassador and past Radcliff Ambassador President in 2009 has opened many doors and has introduced her to some really wonderful people in the different communities and communities surrounding our area. She is also a member of Frankfort Chamber of Commerce with Shoney's. She also is currently an Ambassador for Hardin County chamber, On the Advisory Board with Big Brother Big Sisters. She is very Business driven and enjoys being involved in community events ... and says Hardin County is great place to know people and raise a family.
